Jay M. Cantor, Reg. No. 19,906

RESPONSE

In response to the Advisory Action, the following remarks are presented:

REMARKS

It has been requested that the response filed after final rejection be entered.

It should be noted that the response filed after final rejection corrected the priority basis for the subject application. Accordingly, with the entry of the response filed after final rejection, the PTO paper attached to the Advisory Action became ineffective and in error. The subject application now bears a priority date based upon the provisional application.
